Dear Matilda:

Many thanks for your good letter  
about my talk before the Chamber of Commerce.

It is much too long since we have seen  
each other. We must get together soon.

Sincerely,

AWD/ji

Dear Allen, I have just read in  
the "Times" your excellent good speech  
on the Economic Changes of Soviet  
Russia. It is so clear, and  
it is able to enlighten even the most  
thick-headed -

I am so very glad you and your  
son a new airing about soon -  
With best wishes - And congratulations  
on this fine article -

Sincere and affectionate regards

Matilda Brownell
